

# FREE SOUTH CARIBOO BUSINESS DIRECTORY LISTING

Dear Community Member:

The Fraser Basin Council, in consultation with the South Cariboo Chamber of Commerce, the South Cariboo Visitor Centre, and the Village of Clinton has compiled a **South Cariboo Business Directory**. This directory is available online at **<http://www.directory.southcariboo.net>** and a print version is available at numerous locations throughout the South Cariboo. The goal of the directory is to improve awareness of the diversity of goods and services available in the South Cariboo to local residents and our many visitors.

**There is no charge to list a business in the directory and every enterprise with physical premises in the South Cariboo is invited to do so.**

The process of collecting the information for the directory is on-going. If you would like to list your business, please complete the following form, and include (under "memo") a brief description of your products and/or services. Be sure to circle which categories you want your business listed under. If you don't see a category that you think is the right one for you, please use the space provided to let us know what category listing you would like to see. **Then, fax this form to 250-395-8974.**

In rural communities across the province, and indeed, across Canada, many small businesses are struggling to compete at the local level. Changes in the retail industry, in particular the ease of traveling to larger centres, centralization of services, and the growth in popularity of on-line shopping, is especially hard on local economies. Consumers need to be reminded of the importance of supporting local enterprise!

If you would like more information about this project, please call Howard McMillan, Manager of the South Cariboo Chamber of Commerce, at 250-395-6124. For more information on the Fraser Basin Council go to [www.fraserbasin.bc.ca](http://www.fraserbasin.bc.ca)
